### **Day 1: Arrival Lucerne**

Transfer by train from the border, airport or any other destination in Switzerland to Lucerne. Short walk from the railway station to your hotel. Depending on arrival time, take the opportunity to discover the Old Town. Lucerne lies on the river Reuss, at the end of Lake Lucerne, framed by impressive mountains. The city has been a stronghold of tourism since 1840, thanks to the well-preserved Old Town with its Chapel Bridge and Water Tower. Overnight in Lucerne.

## **Day 2: Mount Titlis, Mount Pilatus or Stanserhorn (optional tours)**

**Titlis:** Mount Titlis is the highest glacier excursion destination and biggest ski and snowboard paradise in Central Switzerland. Mount Titlis, and its glacier park are accessible by the revolving "Rotair" cablecar. At an altitude of 3020 metres above sea level visitors are treated to a fabulous view of the central Alps.

**Pilatus:** The panoramic gondolas and aerial cableway will take you to the summit of Mount Pilatus (7000 ft / 2132 m). From here, you will enjoy unforgettable views over the surrounding mountains and lakes. Time at leisure for lunch or short hike to the summit of the mountain.

**Stanserhorn:** The latest masterpiece of Swiss engineering is a unique open top aerial cable car the "Cabrio", which takes you up to Mt. Stanserhorn (6230 ft / 1900 m). A magnificent panoramic view over ten lakes, 100 kilometers of the Alpine mountain range and three countries await you on top. Overnight in Lucerne.

## **Day 3: Lucerne – Interlaken**

Entertaining journey on board the Zentralbahn or a regional train via the Brünigpass to Interlaken. The town lies in the Bernese Oberland on an alluvial plain, between Lake Thun and Lake Brienz. The resort, which is presided over by the three mighty mountains, Eiger, Mönch and Jungfrau, is the starting point for numerous activities. Overnight in Interlaken.

## **Day 4: Interlaken / Excursion Jungfrauoch**

The Jungfrau Railway, which leads through the heart of the mountains and up to the highest train station in Europe (3454 m), offers unbelievable views of the mountain giants Eiger, Mönch and Jungfrau and of the longest river of ice in the Alps – the Aletsch glacier at 22 km length. The latter is situated nearly at 1400 meters of altitude and is crossed by 7 kilometer long of tunnels. Overnight in Interlaken.

### **Day 5: Departure**

After breakfast, time for souvenir shopping, before you transfer by rail to the border/airport back home or on to your next holiday destination.
